

Proposal to lead the EU Ecolabel criteria revision or development process

In accordance with Article 7 of the EU Ecolabel Regulation, “following consultation of the EUEB, the Commission, Member States, Competent Bodies and other stakeholders may initiate and lead the development or revision of EU Ecolabel criteria.”

If you are interested in leading the EU Ecolabel criteria development or revision process for a specific product group, please fill in the following form, and send it to ecolabel@biois.com.

Please note that you must demonstrate expertise in the product area, as well as the ability to lead the process with neutrality and act in line with the aims of this Regulation. Please provide as much proof as possible to support your application.

Contact information

Company(s) or organisation(s) (if applicable):

Activity sector:

Address:

Contact person

Name:

Position:

Email:

Telephone number:

Fax (optional):

Country:

1. Which product or service does your proposal to lead the criteria development/revision process concern?

2. Who will be assigned as project manager responsible for the process?

Please provide the name and a short presentation of the project manager's competences. Please also attach a Curriculum Vitae.

3. Will there be a project team working on the project in addition to the project manager?

If yes, please provide the names and a short presentation of the team members' competences. Again, please attach all relevant Curriculum Vitae.

4. **Please provide a detailed budgetary breakdown for the project**

5. **Please provide a detailed timeline and scheduling for the project**

6. **Please explain how the neutrality of the project team/manager will be ensured?**

7. **Please provide relevant documentation to support your application**
(E.g. Project Initiative Document, expression of interests in participating to the project from other stakeholders, etc.)"

8. **Please describe how do you plan to engage all relevant stakeholders in EU and Member States (industry, NGOs, competent bodies)?**

9. **Additional comments**

Note: *If you wish to provide any additional references or documents, please enclose them with this form.*

Thank you for your interest in the EU Ecolabel.

Once submitted, this information will be reviewed internally by the European Commission and the EU Ecolabelling Board (EUEB). You may be invited to a meeting of the EUEB to present your proposal. You will be informed of the outcome of your proposal in writing.
