

**Conference on biowaste recycling in Europe. 15th February 2010
Programme Draft**

9:00 9:30 Registration and Welcome

9:30 9:50 Inauguration

9:50 10:20 Introductory speeches by organizers

SESSION 1

VIEWS REGARDING A BIOWASTE LEGISLATION

10:20 10:50 Status of the Impact Assessment on Biowaste Management
10:50 11:10 Point of view of European Parliament

11:10 11:30 Pause

INITIATIVES SUPPORTING A SPECIFIC BIOWASTE LEGISLATION

11:30 11:45 The point of view of Member States in favour of a biowaste legislation
11:45 12:00 The point of view of stakeholder organisations (Biowaste Alliance)

12:00 12:15 Questions

SESSION 2

CASE STUDIES ON BIOWASTE MANAGEMENT IN DIFFERENT EUROPEAN COUNTRIES.
Evaluation of technical, economic and legal tools that lead to successful situations and others needed, in order to assess their incorporation into a Biowaste Directive.

Mediterranean Countries

12:15 12:30 Spain
12:30 12:45 France
12:45 13:00 Italy

Central & Northern Countries

13:00 13:15 Netherlands
13:15 13:30 United Kingdom
13:30 13:45 Germany
13:45 14:00 Austria

14:00 14:15 Questions

14:15 15:15 Lunch

Eastern Countries

15:15 15:30 Czech Republic
15:30 15:45 Hungary

15:45 16:00 Questions

SESSION 3

ASPECTS FOR CONSIDERATION IN A BIOWASTE LEGISLATION

16:00 16:20 Prevention applied to biowaste management
16:20 16:40 Separate collection, targets, optimisation, economic incentives
16:40 17:00 Biological Treatment: process control, best practices (hygienization, stability, etc.)
17:00 17:20 Quality and quality assurance - the need for longterm market and safe application on soils

17:20 17:40 Questions

BIOWASTE AND ENVIRONMENTAL PROTECTION

17:40 18:00 Contribution of biowaste recycling

CLOSING SESSION

18:00 18:30 Discussion and conclusions
